Total Year 1	60 ECTS

Year 2

Educational Components	ECTS
English Language and Medical Terminology	8
Behavioural Sciences (Bioethics, Medical Communication, Psychosomatics)	9
Biochemistry	3
Human Morphology and Physiology (Anatomy, Histology, Embryology, Physiology)	24
Microbiology, Virology and Immunology	6
Public Health (Evidence-Based Medicine, Research Methodology)	3
Basic General Military Training	3
Patient care (practical training)	4
<i>Elective Courses</i>	3
Total Year 2	63 ECTS

Year 3

Educational Components	ECTS
English Language and Medical Terminology	6
Microbiology, Virology and Immunology	6
Pathomorphology	7
Pathophysiology	7
Pharmacology	7
General Practice	6
Surgery	3
Pediatrics	3
Nursing Practice	3
<i>Elective Courses</i>	12
Total Year 3	60 ECTS

Year 4

Educational Components	ECTS
General Practice	6
Internal Medicine	9
Surgery	3
Pediatrics	4
Obstetrics and Gynaecology	3
Radiology	3
Otorhinolaryngology	3
Ophthalmology	3
Clinical Immunology	6
Dermatology and Venereology	4
Neurology	4
Rehabilitation Medicine	3
Medical Practice	6
<i>Elective Courses</i>	3
Total Year 4	60 ECTS

Year 5

Educational Components	ECTS
Public Health (Epidemiology, Infection Control)	4
General Practice	6
Internal Medicine	4
Surgery	3
Pediatrics	3
Obstetrics and Gynaecology	3
Neurology	3
Infectious Diseases	9
Psychiatry	3
Oncology	3
Emergency and Intensive Medical Care	3
Clinical Practice with Functional Diagnostics Workshop	10
<i>Elective Courses</i>	6
Total Year 5	60 ECTS

Year 6

Educational Components	ECTS
Public Health (Medical Law, Occupational and Environmental Medicine, Health Care Organisation)	8
General Practice	6
Internal Medicine	8
Surgery	6
Pediatrics	4
Obstetrics and Gynaecology	3
Emergency and Intensive Medical Care (Emergency and Urgent Medical Care)	4
Traumatology and Orthopaedics	4
Forensic Medicine	3
Integrated Clinical Practice with Simulation Workshop	8
<i>Elective Courses</i>	6
Total Year 6	60 ECTS

Total Programme Volume: 363 ECTS
